

## Make a Child's Holiday Wish Come True!

The holidays can be heartbreaking for families in our community with special needs children, or children affected by violence or abuse. Many parents struggle to provide the special care their children need every day and have nothing left at holiday time for toys, games, or even warm clothes.

Your financial contribution to **SHARE, Inc.'s 7th Annual Holiday Wish List program** will go to the purchase of new toys, books, clothing, sporting goods, games and musical equipment – all the things that make a child's eyes light up with joy.

To date, the **Holiday Wish List** program has raised over \$128,000.00 to benefit children in need.

SHARE, Inc. thanks Jakks Pacific, Inc and Planet Hope for their continuing and most generous support.
